GaDOE STEM Certified School 2018-2023

West Fannin has a total commitment to STEM education. We strive to instill critical thinking and problem solving skills in all our students. Our unique characteristics include:

- Scientific Investigative Research Team made up of 4th & 5th grade students
- Math/Science integration through the use of STEM blocks for all grade levels
- PBL across all grade levels - both short and long term
- Outdoor classroom, nature trail, butterfly garden, greenhouse, bat habitat, chicken coups, apple orchard, and future quail habitat
- Collaboration between STEM lab teacher and Homeroom STEM teachers

FUTURE GOAL: GaDOE STEAM Certification

Partnerships

West Fannin is blessed to have local business and community members as partners for our STEM education program. Dr. Gilda Lyon, Jocelyn Miller, Master Gardeners, Mercier Orchards, and many others offer continuous support and guidance for our students.
