

STEM ACADEMY AT FORSYTH CENTRAL HIGH SCHOOL

Our Mission

The mission of the STEM Academy is to have graduates who are:

- ➡ Non-routine problem solvers who can support and communicate their findings with evidence.
- ➡ Self-managers who can collaborate effectively and efficiently while leading and serving.
- ➡ Able to establish and maintain academic, community, and professional relationships.
- ➡ Confident risk-takers who will adapt and persevere when faced with challenges.
