Mableton Elementary School

5220 Church Street
Mableton, GA 30126
Cobb County School District

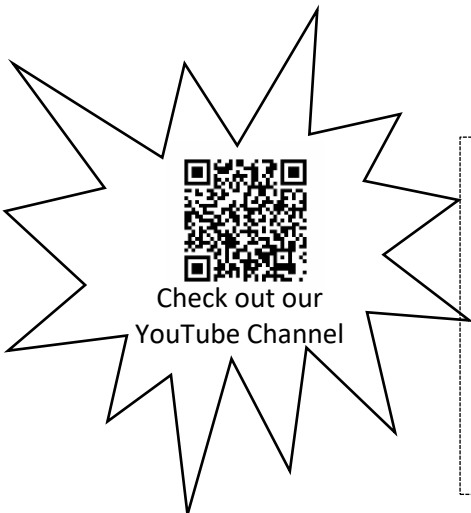

Our STEAM Program provides engaging opportunities through Science, Technology, Engineering, Art, and Mathematics for students to apply their learning and problem solve collaboratively in an enriched and challenging environment.

We strive to:

- Build strong school-family-community STEAM partnerships
- Offer extra-curricular activities in the areas of STEAM
- Require students to articulate and present STEAM knowledge in a rigorous curriculum that makes meaningful connections to other disciplines using different art modalities
- Foster the next generation of leaders to meet the challenges of the global society through innovation, collaboration, and creative problem solving.
