Collaborate Online

Collaborate with other STEM/ STEAM educators in Georgia this year through the new [GaDOE Online Community](#). The STEM/ STEAM collaboration groups are led by instructional coaches and educators who are experts in STEM/ STEAM instruction and certification.

- Elementary STEM/ STEAM Facilitators– [Intro video](#)
 - Tracy Ingram, Len Lastinger Elementary School
 - Brantley Sawyer, Pine Ridge Elementary School
 - Natasha Smith, Evoline C. West Elementary School
- Secondary STEM/ STEAM Facilitators– [Intro video](#)
 - Courtney Bryant, Drew Charter School
 - Alecia Frizzell, Union County High School
 - Terra McMillan, Thomson Middle School

These experts will share strategies to enhance STEM/ STEAM instruction by facilitating online **discussions**, leading live **professional learning**, and posting **resources**.

Upcoming Events

This fall, we will offer a variety of virtual professional learning opportunities including student panels, introduction to STEM/ STEAM webinars, and online courses. Learn more [here](#).

JOIN THE GADOE STEM/STEAM COMMUNITY

[community.gadoe.org](#)

CONNECT

 This new online platform provides a space for Georgia STEM/ STEAM educators and administrators to collaborate, and share ideas.

LEARN

 The STEM/ STEAM groups are facilitated and moderated by educators and instructional coaches who will lead regular professional development on the platform.

SIGN-UP

 Visit [community.gadoe.org](#) to create an account. Navigate to the **Groups** section to join the STEM/ STEAM group for your grade band.
