

Materials List for STEM/STEAM Academy 2020

1 box of Alka-Seltzer or other brand of effervescent tablets.

Two cups or glasses

Hot water (2 glasses)

Cold water (2 glasses)

Timer (clock)

Thermometer (can be a cooking thermometer)

1 toilet paper tube (empty)

2 paper towel cardboard tubes (if one is a little larger than the other will work better)

Masking, duct tape, or any kind available

Measuring tape or ruler

Regular sized marshmallow

Enough flour to roll on the marshmallow so it isn't sticky

Paper (graph paper is preferred but not necessary)

Pencil
